

TRULY YOU HAIR & SCALP CLINIC

# Career Opportunities

Join the exciting field of  
Hair Replacement &  
Trichology

# What We Do

At Truly You, our goal is simple. To restore hair AND confidence so that our clients can feel "truly you" again.

Truly You Hair and Scalp Clinic is one of the leading Hair Replacement and Trichology clinics in Canada, providing hair loss solutions and scalp care to women, children and men for over 28 years.

Our unique, comprehensive programs are custom designed to address our clients' various needs and conditions, including hereditary and medical hair loss, varying forms of Alopecia, as well as different scalp ailments and conditions. Our expert staff are highly trained in the latest hair replacement technology, trichological care, and salon styling.

Our team is comprised of stylists, hair loss experts and trichologists from different career backgrounds and walks of life. We love meeting other hair professionals and adding passionate and creative people to our team!

CEO, Amalia Ruggiero

COO, Caroline Ruggiero

## What We Value

Our company values drive our business. They outline our goals, inform our relationships, and reinforce our company's purpose in the community.

**Repair Your Scalp.  
Restore Your Hair.  
Replenish Your Soul.**

- **Honesty:** We believe in honest interactions that encourage open communication with our colleagues, clients and teams.
- **Collaboration:** We ensure every member of our team is given the opportunity to share their unique perspectives and ideas, which fosters a strong sense of collaboration and teamanship.
- **Development:** We nourish our teams with ongoing training and development so that every team member is given the opportunity to reach their fullest potential.
- **Care:** We care for each other by making sure everyone feels heard, seen and confident in their roles.
- **Excellence:** We develop our processes and procedures effectively and efficiently so that we can continuously improve our service and maintain the highest form of excellence.
- **Support:** We recognize that the fundamental purpose of our service is to support community members in need of care and compassion while living with their hair loss.

## Why Truly You?

Find out why our clinic is a unique and dynamic place to build your career!

There has been a revolution in hair loss solutions and Trichology (a branch of dermatology that addresses and treats diseases of the hair and scalp.) New and innovative technologies in hair prostheses and growing research in hair and scalp health have culminated into products and treatments with the potential to solve once irreversible hair loss. At Truly You, you will have the chance to work with the highest quality hair, the newest technologies, the world's leading brands and be a part of our clients' life changing transformations!

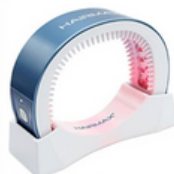

The Trichology and Hair Replacement industry is growing and many exciting opportunities to serve an expanding clientele are just on the horizon. Join our Truly You team and be a the forefront of the industry in Canada!

# What We Offer

Truly You Hair & Scalp Clinic offers a dynamic working environment with a large and diverse clientele, serviced by a passionate and creative team. We offer:

- A small, collaborative team
- Existing clientele
- Consistent schedule
- Competitive hourly wages with a robust commission structure, negotiable based on skill level
- State-of-the-art salon and trichology clinic, with industry leading products and access to elite equipment
- The opportunity to work with the finest, quality hair in the world
- Private, spacious service rooms
- Collaboration with global brands
- Access to education at our in-house Truly You Academy, including courses in Trichology and Hair Replacement
- A fun and friendly team with staff outings and activities!

# What We Look For

Our team at Truly You Hair & Scalp Clinic is the heart of our business. Our technicians are skilled, professional, compassionate and represent our core values everyday: empathy, commitment, confidence and candour. Truly You is always on the look out for curious, dedicated and creative hair professionals who fit into our company values and are passionate about working with hair, as well as willing to take an interdisciplinary approach to the world of hair and scalp care. Our ideal candidates meet the following criteria:

- Must be a licensed hair professional with experience in salon services, including cutting, colouring, perming, highlighting and styling hair
- Experience with hair replacement (toppers/hair pieces/wigs/extensions) an asset, but not required for those willing to train in the technical aspects of hair replacement
- Sales experience preferred
- Must be able to multi-task and work in a busy atmosphere
- A team player willing to jump in and help where and when needed
- A compassionate, empathetic, people-person with a positive attitude
- Committed to ongoing education as an integral part of maintaining the highest level of skills necessary in our industry
- Not afraid to bring their own personal flair and creativity to the position
- Social media saavy an asset

**Tell us about your  
special skills!**

# Truly You Internship Program

Discover all aspects of the industry in our internship program!

Truly You offers formal internship experiences for continuing students and graduated hair professionals interested in the exciting field of Trichology and alternative hair.

Get on-the-job experience as a hair stylist and technician; learn about the paramedical field of Trichology; get hands-on experience working with hair enhancement systems and prosthetics; shadow expert technicians and certified Trichologists; observe classes taught by industry leaders at our national Academy; see the inner workings of successful business models; plus much more.

## We Offer:

- Paid internship positions
- Summer, fall, winter, spring internships available
- Minimum 6 weeks commitment, part-time or full-time placements available (hours negotiable)
- One-on-one training to help define your interest areas and goals, and develop skill sets
- Potential part-time and full-time employment opportunities following program

By the end of the internship, our program will have offered a well-rounded picture of the Trichology and alternative hair industry, while providing you with experience in day-to-day hair styling services.

Interested candidates can reach out to our Business Manager: Krista Richard at [krista@trulyyou.ca](mailto:krista@trulyyou.ca)

## Get In Touch!

We want to hear from you! Whether you are a recently graduated hair professional or an experienced technician in the field, or whether you have never heard of Trichology or have always wanted to explore a career in hair replacement, feel free to reach out to us and introduce yourself. Tell us a bit about your story, career path, why you love hair and what part of the Trichology and Hair Replacement industry interests you most. We look forward to hearing from you!
